Policies

***This initial \$200 deposit is considered non-refundable.**

**** This price is based on at least 10 paying participants & may change if these minimum numbers are not maintained.**

***** This airfare cost is only an estimate to give an idea of what the price may be and will be adjusted when the tickets are purchased. Taxes and fuel surcharges can change until ALL tickets are paid for in full.**

Global Explorers' Program Withdrawal Fees

Your \$200 initial deposit is a non-refundable program reservation fee. Withdrawal from the Global Explorers program 46-90 days prior to date of departure is 50% of program costs of the Global Explorers Program. Withdrawal 45 days or less prior to date of departure is 100%. We regret having to strictly adhere to these policies but we begin sending non-refundable payments for lodging and transportation and incur other costs long before the workshop.

Late Fees

Invoices not paid within 30 days of due date will be assessed an 18% APR fee and may result in the loss of your reservation.

International Airline Ticketing and Airline Withdrawal Fees

After locating the cheapest available airfare, Global Explorers books tickets and notifies your group of the reservation and cancellation policies of the airline and provides you with a due date for payment to Global Explorers. Once the international tickets are purchased, cancellation will result in the airline ticket being turned over to you to determine if you can receive any refund by contacting the airline directly. In most cases, refunds for international tickets will not be provided by the airlines.

Changes to the Payment Schedule

We do not allow deviations from the Payment Schedule unless the Global Explorers Program Coordinator agrees with a change in cooperation with the Group Sponsor.

Price Fluctuations

The prices shown here are the most currently available but are subject to change due to supplier increases. Though we make every effort to resist price increases, we are not always able to avoid them. You will be advised at the earliest possible moment of any need to adjust prices.

Included in Your Price

All travel expenses within the destination country, all meals, all lodging, all ground transfers, airport departure taxes, basic level of tips for guides and other services, basic level of travel insurance, a program t-shirt, workshop journal, textbook(s), curriculum and service project materials (for Group Sponsor), year-long support, guidance and mentoring for local Group Sponsor, and an on-site Global Explorers Representative during workshop.

Tax Deductions

Global Explorers Payment Schedule

Kinard Costa Rica 2011

Tax-deductible donations cannot come from anyone who receives direct goods or services from the Global Explorers Program. This means a student/family cannot write a check out for their participation in our program and claim it is a tax-deductible contribution. Tax-deductible donations cannot be designated to any specific individual. Donations collected from your group are considered general donations to Global Explorers and will be applied to your group account, not to any one individual. If a donation check arrives that is clearly designated to a specific individual, we will apply this to your group account but not register this as a tax-deductible donation. Global Explorers will determine on a case-by-case basis whether donations are tax-deductible. Tax-deductible donation letters will be mailed by Global Explorers to each individual donor.
